# January

**Veldrift**  
MF 0164

**Veldrift**, a warm taupe with cinnamon undertones, has been chosen Colour of the Year for 2025. Perfect for the winter season, it reflects the grounding tones of nature and the cozy warmth we seek during colder months.

Ideal for walls, furniture, and decor, **Veldrift** brings elegance and comfort to interiors. It pairs beautifully with creamy whites, deep greens, and muted blues, creating a palette that feels both inviting and refined.

Chosen for its timeless appeal, **Veldrift** embodies the serenity and connection of winter, offering a sense of renewal and understated beauty to start the year.
